4. The Clerk gave a verbal report from the last update on 16th May 2019:
 - Letters to nearby local residents, schools businesses and St Margaret's Church have been written to advising of the works and the layby closure. Responses received have been positive.
 - PC Hudson will arrange for cones to be placed along School Rd on Monday 17th June 2019 to prevent parking.
 - Drayton Scouts had asked if there was any of the old equipment that could be reused, however after making enquiries with Wicksteed it was felt that very little would be salvable.

- The play area would remain closed and the Heras fencing will only be taken down once the safer surfacing had been laid and the post installation inspection had been signed off.
- The clerk would meet with the contractors on site and resolve any issues that might arise. The locum clerk will resume this role in the clerk's absence.
- A new bench might be required if the existing bench adjacent to the layby needs to be removed. This could be installed at a later date.
