## **4. PUBLIC FORUM**

### **a) To receive any questions or comments from members of the public.**

The Treasurer of Drayton Drewray Relief in Need Charity attended to clarify the status of the charity following the recent reports regarding a partnership with the Norfolk Wildlife Trust. It was confirmed that the land purchased by Norfolk Wildlife Trust was a separate parcel of land and was not connected to the Charity. The Treasurer advised that they were seeking a meeting with both Broadland District Council and the Norfolk Wildlife Trust to ensure all parties had a shared understanding of the situation. The Treasurer had also been in contact with Just Regional to issue a corrective statement to the community.

It was noted that the Treasurer would be unable to attend the Annual Parish Meeting but had agreed to submit a written report for attendees. The Charity intends to hold an Annual General Meeting and was advised to contact the Council Office regarding room hire.

### **b) To receive report from County Councillor: Cllr. T. Adams.**

As his last meeting as County Councillor for Drayton, Cllr. T. Adams noted his thanks to Council members for their time in support of the parish and indicated he may attend the next meeting alongside the newly appointed Councillor by way of a handover.

### **c) To receive report from District Councillor for Drayton North: Cllr. A. Crotch.**

It was clarified that the land known as “Drayton Drewrery and Dole Plantation”, as registered with HM Land Registry, had been sold by the previous landowner to the Norfolk Wildlife Trust. It was further clarified that the land owned by the Drayton Drewrery Relief in Need Charity was entirely separate, and that this distinction had been the source of some local confusion. Broadland District Council was continuing to look at options for car parking for the Country Park off the NDR and was awaiting a response from Norfolk County Council. It was noted that Cllr. A. Crotch had requested Norfolk Wildlife Trust to visit Drayton and discuss plans for the Country Park and the newly purchased land.

Regarding Local Government Reorganisation, it was noted that Norwich City Council carried a significant level of debt and concerns were raised regarding the potential impact on local residents as part of any Council tax equalisation process. In addition, clarification was sought on how the calculations for the Greater Norwich Local Plan (GNLP) 5-year land supply would be affected, particularly where sites are located across current district boundaries. Concerns were raised that boundary changes may result in a loss of key areas from Broadland’s land supply, potentially impacting future planning considerations.

An update was provided on the change of ownership of Stower Grange and Cllr. A. Crotch was continuing efforts to contact the owner to better understand planned usage for the property. While it was noted as a positive to see the site brought back into use, concerns were raised regarding reported usage for gatherings, parties and DIY Weddings and the potential impact on nearby residents.

### Local Government Reorganisation (LGR) Update

**Presented by:** Sinead Carey, Phil Courtier

- **Details of the Three Unitary Councils:** The new structure will create Greater Norwich City Council, West Norfolk Council, and East Norfolk Council, each comprising specific areas and parishes as outlined in the government's proposal, with some parishes from Broadland and South Norfolk being reassigned.
- **Next Steps and Implementation:** The next phase involves the laying of the Structural Changes Order (SCO) in Parliament, expected in spring 2026, which will formally abolish the old councils, establish the new authorities, and set out warding and governance arrangements, followed by the formation of joint committees and shadow authorities leading up to vesting day on 1 April 2028.
- **Knowns and Unknowns:** while the timeline and broad structure are set, details such as the implementation plan, service delivery changes, and final warding arrangements are still being developed and will be confirmed in the legislation; there is currently no direct impact on town and parish councils.
- **District and Mayoral Elections:** it is likely that district council elections will be cancelled for 2027, pending confirmation in the SCO, as shadow authority elections will take precedence; mayoral elections are expected after the new authorities are established.
- **Joint Committees and Shadow Authorities:** Joint committees, comprising existing councillors, will be advisory and non-decision-making, tasked with preparing options for the shadow authorities, which will be elected in May 2027 and will make the final decisions on service models and governance.
- **Combined Authority and Service Responsibilities:** The combined authority, led by the future mayor, will handle strategic functions such as growth and planning, while local service delivery will remain with the new councils; the exact division of responsibilities will be clarified as the legislative process continues.
- **Service Disaggregation and Aggregation:** Questions about the splitting of services like highways were addressed, it is worth noting that some services may remain county-wide due to scale and contracts, while others may be divided among the new councils, with decisions to be made by the implementation team and shadow authorities.

## Youth Provision Programmes

**Presented by:** Dan Goodwin, Rackheath Parish Council, YMCA

Through the UK Shared Prosperity Fund, South Norfolk and Broadland District Council has funded youth provision projects in Rackheath and Costessey, who provided updates of their successful initiatives and future plans.

- **Rackheath Youth Project:** Rackheath youth project began with outreach and evolved into a thriving youth club after adjusting the age range, resulting in significant growth in attendance and positive feedback from the community. Harry from the YMCA emphasised the importance of youth-led activities, citing examples such as stop-frame animation, arts and crafts, and outdoor play, and stressed the need for continuous feedback from young people to shape provision.
- **Costessey Youth Provision:** Costessey's offer is focused on establishing accessible, safe, and engaging youth spaces providing both universal and targeted youth work through a weekly youth club, targeted mentoring, holiday clubs and forming a Youth Advisory Group.
- **Future Funding and Support:** In South Norfolk there are two further £30,000 grants available for new or significantly renewed youth provision programmes. Additionally, the Community Capacity team are keen to work with and support youth groups across both districts.
- **Activity Ideas for Youth Groups:** Through the Tots2Teens holiday sessions we have found that the most successful and popular activities with young people tend to be the cookery sessions, although we understand that these are quite complex to organise. However, 'Food Play' sessions could be a good alternative to run on a smaller scale. Additionally, themed Funzones are also a fun and engaging option with a variety of games and activities.  
If you would like support or ideas for your youth group, feel free to contact the Community Capacity team.

## Any Other Business

- **Publication of County Council Election Candidates:** Parish councils, whether political or not, may publish factual lists of county council election candidates, provided they do not promote any candidate. Parish councils must avoid any content that could be seen as influencing the election and should adhere to standard pre-election publicity rules.
- **Community Awards Nominations:** Nominations are now open for both the South Norfolk and Broadland Community Awards. This is a great opportunity to recognise

local volunteers. For more information on award categories and how to nomination, visit the links below.

<b>Author</b>	Parish Clerk & RFO
<b>Summary</b>	
<p><u>Background</u></p> <p>At the April 2026 meeting, the Finance &amp; General Purposes Committee reviewed the Council's Financial Risk Assessment and confirmed that the document was a true reflection of the financial risks facing the Council and that the manner in which they should be mitigated remains adequate and up to date.</p> <p><u>Summary of Changes</u></p> <p>The Risk Assessment has been reviewed with additional risks identified in relation to:</p> <ul style="list-style-type: none"> <li>• Capital projects/major works (Pg4)</li> <li>• Local Government Reorganisation (Pg6)</li> </ul> <p>Management of Risks have been updated to reflect current internal control arrangements and the risk assessment methodology has been included to identify how the Council has determined the risk status.</p> <p><u>Recommendation</u></p> <p>The Committee recommends the Financial Risk Assessment is adopted as presented.</p>	
<b>Recommendation</b>	
Council is asked to consider the recommendation from the Finance & General Purposes Committee for approval.	

## **Risk Assessment Methodology**

This Financial Risk Assessment uses a matrix to determine the level of risk associated with each identified item.

Each risk is assessed using two criteria:

Likelihood – the probability of the risk occurring:

- 1 = Unlikely
- 2 = Possible
- 3 = Almost certain

Impact – the severity of the outcome if the risk occurs:

- 1 = Insignificant
- 2 = Moderate
- 3 = Significant

The likelihood and impact scores are combined using the Council’s risk matrix to determine the overall risk rating:

- Low Risk – acceptable and managed through existing controls
- Medium Risk – requires monitoring and, where possible, mitigation
- High Risk – requires active management and review by Council

The risk ratings shown (L/M/H) within this document reflect this assessment.

Subject	Risks Identified	Status H/M/L	Management of Risks
Councillors	Losing Councillor membership or having less than 5 councillors at any one time.	L	When a vacancy arises, there is a legal process to follow. This either leads to a by-election or into a co-option process. An election is out of the Parish Council's control. The co-option process begins with an advert, acceptance of applications, consideration of applicants and co-option vote at a Council meeting then appointment. If there are less than 5 Councillors at any one time on the Council it becomes inquorate. The legal process of Broadland District Council appointing members takes place.
Precept	Adequacy of precept Requirements not submitted to BDC in time Amount not received by BDC.	L	Regular budget review by Council. Deadline is ascertained from Broadland District Council asap and Precept is considered by Council before the deadline. The Clerk informs Council when the monies are received (approx. April/May and September time).
Financial Records	Inadequate records financial irregularities	L	The Council has Financial Regulations which set out the requirements.
Banking	Inadequate Checks Bank Mistakes Losses & Charges Loss of signatories	L	The Council has Financial Regulations which set out the requirements for banking and reconciliations of accounts. The Clerk reconciles the accounts every month. Any issues are dealt with promptly. Current Bankers are specialists in dealing with local authorities. Signatories can be changed easily. Council has up to 4 signatories on accounts to protect against risks. Drayton Parish Council complies with the Financial Services Compensation Scheme (FSCS) and strives to limit each bank with £120,000 maximum to spread the financial risk where possible.
Internet Banking	Access	L	Access to banking sites is regulated by Standing Orders. No search engines are used, and bookmarked favourites is preferable. Each signatory has their own log on details which is subject to pin code entry. Councillors can view and release payments. Staff can view and set up payments but not release.

Subject	Risks Identified	Status H/M/L	Management of Risks
Loss of Cash	Loss through theft or dishonesty	L	Cheques received are banked within 5 banking days. Drayton Parish Council is a no cash council. Public liability insurance covers general personal injury claims where the Council is found to be at fault, but not spurious or frivolous claims - these cannot be insured against. Corporate Credit Cards also have been insured against fraud or mis use. Employees are required to sign the Credit Card Agreement for Employees and abide by the Credit Card Policy.
Litigation	Potential risk of legal action being taken against the Council.	L	A Clerk's report is produced monthly and presented to Council, discussed and approved at the meeting. This report includes bank reconciliation and a breakdown of receipts and payments balanced against the bank.
Reporting and auditing	Information communication Compliance.	L	Councillors receive full details each month including bank reconciliation. This information is also placed on to the website. Half yearly inspections by the internal auditor are carried out and reports produced. Auditor's reports are considered by Finance & General Purposes Committee and recommendations are made to the full council.
DPC run activities	Risk of financial loss	L	Activities previously held have been financed by grants and/or budgeted revenue expenditure prior to events thus reducing the risk of financial loss to DPC. If finance is not secured in advance there may be some financial risk which would need to be covered by the council's reserves. All such expenditure goes through the required Council process of approval and minuted. Grant application form has been devised to keep records of applications.
Grants and support - payable	Power to pay Authorisation of Council to pay	L	The Parish Council has in place a grant application process to approve the issuing of grants to locally based groups/organisations/events within the Parish.
Grants - receivable	Receipts of Grant	L	The Parish Council does not presently receive any regular grants. One-off grants received tend to be for activities with conditions attached.
Best value Accountability	Work awarded incorrectly Overspend on services	L/M	Normal Parish Council practice would be to seek, if possible, more than one quotation for any substantial work required to be undertaken or goods. For major contract services, formal competitive tenders would be sought. If a problem is encountered with a contract the Clerk would investigate the situation, check the quotation/tender, research the problem and report to Council. This is covered in the Financial Regulations.

Subject	Risks Identified	Status H/M/L	Management of Risks
Capital Projects/Major Works	Cost overruns Contractor failure/poor performance Inadequate tendering/ non-compliance with procurement regulations Cash flow pressure on reserves Project delays Insufficient project oversight/governance	H	Appointment of Project Management and Cost Consultancy Services. Project specific Scheme of Delegation in place, including regular reporting to delegated Project Officer, Committee and Council. Clear project scope and budget agreed by Council including budget strategy (S106, CIL and Earmarked Reserves). Cost estimates include contingency allocation and inflation.
Salaries and on costs	Salary paid incorrectly.	L	Salary rates are assessed annually by Council. Payroll is outsourced and sampled as part of the internal control checks and interim and year end internal audit. All staff members have a contract of employment and job description. Salaries are paid in arrears at the end of each month.
Employees	Loss of Clerk Fraud by Clerk Actions undertaken by clerk. Health and Safety	L	Reference to a Business Continuity Plan (BCP) should be made in case of loss of key staff. Procedural guides help to identify tasks required in case of absence. The Clerk is provided with relevant training, reference books, access to assistance and legal advice required to undertake the role. Health & Safety issues relating to the Clerk are with regard to working at home and driving to/from Council meetings. The Council's insurance covers travel to and from a place of work.
Election costs.	Risk of an election cost.	L	Election Reserve held. No Parish Council election has been held in Drayton for many years.

Employers Annual Return	Paying and accounting for NI and Tax of employee's salaries	L	Employer's Annual Return is completed by the Clerk and submitted online to HMRC within the prescribed time frame.

	Fidelity Guarantee	L	Guarantees are provided with insurance cover. Review takes place of necessary documentation.
Assets	Loss or Damage Risk/damage to third party(ies)/property	L	An annual review of assets is undertaken for insurance provision, storage and maintenance provisions.
