4. PUBLIC FORUM

a) To receive any questions or comments from members of the public.

The Treasurer of Drayton Drewray Relief in Need Charity attended to clarify the status of the charity following the recent reports regarding a partnership with the Norfolk Wildlife Trust. It was confirmed that the land purchased by Norfolk Wildlife Trust was a separate parcel of land and was not connected to the Charity. The Treasurer advised that they were seeking a meeting with both Broadland District Council and the Norfolk Wildlife Trust to ensure all parties had a shared understanding of the situation. The Treasurer had also been in contact with Just Regional to issue a corrective statement to the community.

It was noted that the Treasurer would be unable to attend the Annual Parish Meeting but had agreed to submit a written report for attendees. The Charity intends to hold an Annual General Meeting and was advised to contact the Council Office regarding room hire.

b) To receive report from County Councillor: Cllr. T. Adams.

As his last meeting as County Councillor for Drayton, Cllr. T. Adams noted his thanks to Council members for their time in support of the parish and indicated he may attend the next meeting alongside the newly appointed Councillor by way of a handover.

c) To receive report from District Councillor for Drayton North: Cllr. A. Crotch.

It was clarified that the land known as “Drayton Drewrory and Dole Plantation”, as registered with HM Land Registry, had been sold by the previous landowner to the Norfolk Wildlife Trust. It was further clarified that the land owned by the Drayton Drewrory Relief in Need Charity was entirely separate, and that this distinction had been the source of some local confusion. Broadland District Council was continuing to look at options for car parking for the Country Park off the NDR and was awaiting a response from Norfolk County Council. It was noted that Cllr. A. Crotch had requested a visit from Norfolk Wildlife Trust to visit Drayton and discuss plans for the Country Park and the newly purchased land.

Regarding Local Government Reorganisation, it was noted that Norwich City Council carried a significant level of debt and concerns were raised regarding the potential impact on local residents as part of any Council tax equalisation process. In addition, clarification was sought on how the calculations for the Greater Norwich Local Plan (GNLP) 5-year land supply would be affected, particularly where sites are located across current district boundaries. Concerns were raised that boundary changes may result in a loss of key areas from Broadland’s land supply, potentially impacting future planning considerations.

An update was provided on the change of ownership of Stower Grange and Cllr. A. Crotch was continuing efforts to contact the owner to better understand planned usage for the property. While it was noted as a positive to see the site brought back into use, concerns were raised regarding reported usage for gatherings, parties and DIY Weddings and the potential impact on nearby residents.

None.

e) To receive reports from any other public bodies.

Regarding the upcoming County elections, it was noted that postal votes require renewal every three years and the number of residents renewing had reduced. Broadland District Council had written to residents three times over the past nine months to remind them to renew.

In relation to Local Government Reorganisation (LGR), a House of Commons Library briefing had suggested the introduction of mandatory Neighbourhood Area Committees to strengthen local input; it was expected that parish councils may bear much of the responsibility, with parish councillors potentially being co-opted onto these committees.

5. To consider any options outlined within the presentation for next steps in regards to the KGV Pavilion Project.

The Committee noted the advice regarding the benefits of establishing delegated authority and forming a Project Advisory Group. However, it was acknowledged that delegated authority to approve expenditure could not be confirmed until the Council had agreed the project scope and associated budget.

The Committee discussed the impact of building works on regular hirers, the importance of prioritising sustainability given rising energy costs, and potential opportunities to support local contractors and tradespeople.

It was noted that planning permission was likely to be required, particularly for any extension to the changing rooms.

The Committee confirmed that the primary focus of the refurbishment should be on quality rather than speed of delivery.

The Committee **AGREED** to pursue the next steps as follows:

1. Development of Scheme of delegation for recommendation to Council.
2. Greyfriars to present two refurbishment options and associated costing for consideration. The Committee to consider options and make recommendation to Council as appropriate.

| Paper | DPC12b: Energy Renewal Quotes. |
| Meeting | Council |
| Date | 9 th April 2026 |
| Author | Parish Clerk & RFO |
| Summary | |
| <p><u>Background</u></p> <p>Council is asked to consider the attached energy renewal quotes for both Longdale Pavilion and KGV Pavilion, with current contract end dates of 31st December 2026 and 16th February 2027 respectively.</p> <p>The recommendation to consider renewal at this stage follows advice from the Council's energy broker, Utility Aid, in light of current conditions in global energy markets. Ongoing volatility in wholesale gas prices is continuing to impact electricity pricing. As a result, prices are expected to remain unpredictable in the short to medium term.</p> <p>Securing a renewal agreement at this time may provide greater financial certainty and help protect the Council against future price increases.</p> <p>Renewal options are attached for consideration, with Yu Energy returning the most competitive offer.</p> | |
| <p><u>For Information</u></p> <p>Prices are subject to change, as Utility Aid work within a live market environment where rates can fluctuate.</p> <p>Shorter contract terms are available; however, Utility Aid generally recommends a minimum term of 24 months in order to secure the most competitive rates and best overall value.</p> | |
| Recommendation | |
| Council is asked to consider energy renewal quotes for approval. | |
