Summary	
<u>Declarations of Interests</u> All members of parish councils are required by law to register their disclosable pecuniary interests and other registerable interests to avoid conflicts of interests when making decisions. At the start of the meeting, council members are given the opportunity to declare any interest in the items on the agenda. However, if you are not aware of a potential interest until you reach an item then you must declare it as soon as it becomes known to you to ensure the council's decision-making process is fair and transparent. Per the Council's adopted Code of Conduct, if an agenda item relates to one of your registered interests, you must not take part in the discussion or vote and must leave the room. You are personally responsible for deciding whether you should declare an interest at a meeting and the attached flowchart is provided to assist you in assessing whether you must declare an interest. If in doubt, you should always seek advice from the monitoring officer at monitoringofficer@southnorfolkandbroadland.gov.uk. While advice can be given at meetings by the Parish Clerk, seeking advice prior to a meeting is preferable to be sure thorough and informed advice can be given. For more detailed information, please see section 9 of Drayton Parish Council's adopted Code of Conduct available on our website. <u>Dispensation Requests</u> In certain circumstances you may wish to apply for a dispensation to allow you to take part in Council business where this would otherwise be prohibited because of your disclosed interests. Per section 13 of the Council's adopted Standing Orders, dispensation requests shall be made in writing and submitted to the Parish Clerk as soon as possible before the meeting, or failing that, at the start of the meeting for which the dispensation is required. A decision as to whether to grant a dispensation shall be made by a meeting of the Council for which the dispensation is required and that decision is final. For more information on what to include within a dispensation request and criteria for granting such a request please see section 13 of Drayton Parish Council's Standing Orders available on our website.

This process helps identify discrepancies, such as missing transactions, bank charges, or direct debits and ensures the council's financial records are up-to-date and accurate. Drayton Parish Council has a number of different bank accounts which need to be reconciled individually. All bank accounts are reconciled to provide a comprehensive check on the overall bank position. The Chair shall sign the reconciliations as evidence of verification at Council meetings and this activity is minuted accordingly. Per section 2.6 of the Council's adopted Financial Regulations, a member other than the Chair shall be appointed to verify bank reconciliations for all accounts and will sign and date the reconciliations quarterly for reporting to the Finance & General Purposes Committee.	
Recommendation	
Council is asked to receive the bank reconciliation for approval.

Paper	DPC8b: Year-End Internal Audit Report
Meeting	Council
Date	13 th August 2026
Author	Parish Clerk & RFO
Summary	
<u>Background</u> The Year-End Internal Audit was conducted by V. S. Waples on 27th May 2026. A copy of the report was received by Council at the June 2026 meeting. The report was reviewed by the Finance & General Purposes Committee at the July 2026 meeting and the Committee recommends the following corrective action to be taken in response to the report. Recommendation 1 [pg9]: A review of the insurance cover indicates that the current policy does not include cyber insurance nor are there provisions for the recovery of lost or corrupted data and cover for operational expense if a cyber incident occurs. Council might wish to consider whether appropriate cyber insurance should be in place to provide financial protection against cyber threats, and covers costs related to data breaches, legal liabilities, and recovery efforts. Committee Response: To add cyber insurance provision including cyber risk monitoring to the Council's Insurance Policy with Clear Councils at an annual cost of £715.69. Comment 2 [pg16]: [Regarding Investment Policy] Council might wish to ensure that the supporting documentation references the steps taken by the Council to assess any counterparty for any such investments and satisfy themselves that the sum invested is not subject to unreasonable risk. Committee Response: To amend Section 1 of the Council's Investment Policy to include the following: <i>When considering short term investment with any counterparty, the Council will record its assessment of the institution, including consideration of its regulatory status, financial standing, applicable protection arrangements, investment terms and the level of risk to public funds. The Council will ensure that the amount invested is proportionate and does not expose Council funds to unreasonable risk.</i> A template FGP Cover Paper will be drafted for use by the Committee when considering any short-term investments. Comment 3 [pg16]: Whilst there is no guidance where land or buildings have been subject to substantial renovation and improvement to such an extent that the new market value bears no relation to the original purchase cost, to avoid renovation and improvement work being separately recorded on the asset register and in these exceptional circumstances only, it may be prudent to obtain a market value supplied by a qualified surveyor. Committee Response: Clerk to seek further advice and guidance from internal auditor for consideration at a later date.

Council is asked to consider the Committees recommended corrective action to be taken for approval.

Local Government Association

Model Councillor Code of Conduct 2020

Joint statement

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviors and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services,

including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your District Council's Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination

As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any

reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council

As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - 3. I have consulted the Parish Clerk prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions,

documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with the Monitoring Officer of the District Council.

Protecting your reputation and the reputation of the local authority

9. Interests

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Parish Clerk.

10. Gifts and hospitality

As a councillor:

10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons

who may apply to the local authority for any permission, licence or other significant advantage.

10.2 I register with the District Council's Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.

10.3 I register with the District Council's Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact the District Council's Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“**Disclosable Pecuniary Interest**” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

“**Partner**” means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

Disclosure of Other Registerable Interests

5. Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
7. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;

DRAYTON PARISH COUNCIL

Paper	DPC12a: Broadland Country Park Pathways Project
Meeting	Council
Date	13 th August 2026
Author	Parish Clerk & RFO
Summary	
<u>Background</u> On 9th July 2026, Council received correspondence from Broadland District Council to seek support in relation to the 'Broadland Country Park (BCP) Pathways Project'. The BCP Pathways Project represents the missing link in delivering a continuous 14km off-road walking and cycling route between Norwich city centre and the new Broadland Country Park visitor facility. The project aims to improve access and connectivity, support safer and more inclusive travel for residents and visitors and better connect communities with local amenities and green spaces, creating a valuable asset for everyday active travel. Broadland plans to approach the Greater Norwich Growth Board (GNGB) for grant funding and applications require demonstration of stakeholder liaison, support and where feasible, funding partnerships. As one of the 4 Parishes on the route, Broadland is seeking a written letter of support for the project and confirmation of whether the Council would consider allocating any Green Infrastructure funding towards the project, however small. <u>For Information</u> Drayton Parish Council has an unallocated Green Infrastructure Balance of approximately £4,500. Further information on the project is attached for information.	
Recommendation	
Council is asked to consider a response to Broadland District Council.	

Broadland Country Park Access Improvement Project

Project overview

Broadland District Council is developing a project to improve access across the expanded Broadland Country Park area, including the Drayton Drewray land recently purchased by Norfolk Wildlife Trust and existing routes across Felthorpe Common, which is owned by the Felthorpe Fuel Allotment Trust.

The project will focus on improving existing Public Rights of Way and informal routes, creating a clearer and more accessible path network for walkers, cyclists and other users. The proposals form part of the next phase of improvements to Broadland Country Park, following the development of the new cafe and visitor facility.

What is proposed

The project would improve approximately 2.8km of paths across five sections, using existing Public Rights of Way and existing or permissive routes wherever possible. The proposals include:

- Path surfacing and localised repairs to improve degraded or uneven sections.
- Boardwalk sections where ground conditions are wet or environmentally sensitive.
- Seating, picnic areas, signage and wayfinding to make the route easier and more welcoming to use.
- Drainage improvements and vegetation management to support long-term route resilience.
- Further survey and design work, including arboricultural, ecological, topographical and site investigation input, to inform the final scheme.

Why the project is needed

The scheme addresses existing access issues, including wet, uneven and seasonally inaccessible paths, fragmented route connections and poor wayfinding. Some routes are difficult to navigate or become impassable because of poor ground conditions and watercourses, which limits their use by local residents, walkers, dog walkers and cyclists.

The project would also help manage current informal use of the area by creating clearer and more resilient paths. This would help guide visitor movement, reduce pressure on sensitive habitats and support the recovery and protection of ground flora and regenerating vegetation.

Wider connections and community benefits

A key aim of the project is to help complete a continuous 14km off-road route between Norwich City Centre and the new Broadland Country Park cafe and visitor facility. This would improve links between Broadland Country Park, Thorpe Marriott Greenway, Marriott's Way and Sweet Briar Marshes, strengthening the wider green infrastructure network.

Overall, the project would provide a more reliable and attractive access network for local communities, supporting health and wellbeing, active travel and access to nature. It would also help ensure the enlarged Broadland Country Park can continue to serve existing residents and future growth across Greater Norwich.

Stakeholder awareness: We would welcome the Parish Council's awareness of the project at this early stage and will continue to keep local stakeholders informed as the proposals are refined through the design, consent and delivery stages.
