
Minutes of the Playing Fields & Property Committee held on **Thursday 4th December 2025, 7:00pm** at King George V Pavilion, Drayton High Road, Drayton, Norwich, NR8 6AW.

Present: Cllrs. J. Anderson, C. Brown, A. Crotch (Chair), G. Everett, T. Lee, K. Morgan and N. Quinsey

In attendance: Rachel Catto; Deputy Clerk & Facilities Manager and 4 members of the public.

Meeting opened: 19:00

1. To receive apologies and consider acceptance for absence.

None.

2. To receive declarations of interest on matters to be considered at the meeting and consider requests for dispensation.

Cllr N. Quinsey declared a Non-Registerable Interest in relation to Item 9 and confirmed that they would speak as a member of the public but would leave the room during this item and not discuss or vote.

3. To receive minutes of the meeting of the Playing Fields & Property Committee held on 28th August 2025 for approval.

The minutes were **AGREED** as an accurate record of the meeting and signed by the Chairman.

4. To receive minutes of the extraordinary meeting of the Playing Fields & Property Committee held on 8th October 2025 for approval.

The minutes were **AGREED** as an accurate record of the meeting and signed by the Chairman.

5. To receive any questions or comments from members of the public.

The Bowls Club Treasurer reported that expenditure at the Bowls Club had significantly increased in 2025 due to an increase in the buildings running costs. It was suggested that hiring out one of the rooms to an art club could provide significant financial assistance. It was confirmed that if permission was granted to proceed, the Bowls Club would retain full use of the bowling green and changing rooms, a member of the Club would be on site to grant access to the art club organiser and that a hirer agreement would be in place, stipulating the room hire and payment terms. Furthermore, it was confirmed that funds raised from the room hire would be used to install up-dated LED lighting.

The organiser of the art club confirmed that they would welcome the opportunity to engage with the local community by relocating the art club to Drayton. It was noted that the art club was aimed at adults looking to learn and meet new people and that room hire was requested for one day a week, for three terms of fourteen weeks.

6. To receive Clerk's Report on matters arising from previous meetings of the Committee.

The Committee received the report and noted the verbal update provided by the Deputy Clerk and Facilities Manager on; completed fencing works at Longdale, intermittent issues with 3G pitch floodlights, completed priority 3 tree works, completed annual fire

extinguisher checks, progress with the KGV Pavilion project manager tender process, additional tree works at KGV and Norwich Probation Service Community Payback Works. It was requested that the pitch maintenance programme be published on the Parish Council's Facebook page.

7. To receive statement of receipts and payments to date and explanation of material variances comparing planned and actual expenditure.

The Committee received the report.

8. To note the internal playground inspections summary report and receive an up-date regarding play equipment and gate repairs.

The Committee received the report and noted the update.

9. To consider the request for consent to underlet the Bowls Club.

The Committee **AGREED** to consider item 9 directly after item 5.

Cllr N. Quinsey left the meeting at 7.18pm.

The Committee considered the request and noted that the Bowls Club were seeking to hire out a room, rather than enter into a formal under-leasing agreement. The Committee **AGREED** to ongoing consent for the Bowls Club to grant room hire agreements and issue the draft consent to underlet letter as presented, subject to the replacement of all references to 'underletting' with reference to 'room hire'.

10. To consider the draft budget for the 2026-27 financial year for recommendation for approval by Council.

Cllr N. Quinsey rejoined the meeting at 7.26pm.

The Committee **AGREED** the draft 2026-27 Playing Fields & Property budget as presented for approval by Council with no amendments.

The Committee **AGREED** the draft 2026-27 Playing Fields & Property earmarked reserve transfers as presented for approval by Council, subject to the following amendments:

- KGV enhancements: to transfer £19,000 towards car park refurbishment and £3000 towards a kick wall.
- Play Area Enhancements: to transfer £10,000 for replacement costs.
- Longdale Enhancements: £4,000 towards replacement bollards, £5,000 towards wheeled goals, £5,000 towards car park refurbishment and £1,500 for CCTV upgrade.
- Pitch Improvements: £5,000 towards pitch improvements.

It was noted that planned spending from the earmarked reserve for 2026-27 would be allocated at the discretion of Officers of the Council in-line with capacity.

11. To review the 2026-27 Hire Charge Schedule, including Hire Terms, season dates and 3G Pitch, and make recommendation for approval by Council.

The Committee considered the Hire Terms as presented and confirmed that Drayton Youth Football Club (DYFC) should not be permitted to sub-let the grass pitches. The Committee **AGREED** to the grass pitch Hire Terms as presented, subject to the inclusion of offering DYFC first refusal of season hire at Longdale and KGV.

The Committee **AGREED** to the 2026-27 Hire Charge Schedule as presented.

12. To consider 3G pitch deposit scheme and cancellation options and revised 3G Pitch Booking Terms, Conditions & Rules.

The Committee **AGREED** to extend the meeting by 20 minutes.

The Committee considered the 3G pitch deposit scheme and cancellation policy options presented and **AGREED** the following:

- Deposit type: Initial Deposit
- Deposit payment structure: 10% of total booking value
- Deposit Terms: as presented
- Cancellation and refund policy options:
 - 1 week's written notice required to terminate a recurring booking
 - More than 24 hours' notice: No charge for cancelled session
 - Less than 24 hours' notice: Full session fee payable.
 - Persistent Cancellations: As presented

The Committee considered the 3G Pitch Block Booking Terms, Conditions and Rules and **AGREED** to approve the document as presented, subject to the amendments in line with the above.

The Committee considered the 3G Pitch Online Booking Terms, Conditions and Rules and **AGREED** to approve the document as presented.

13. To consider the suitability of the Beryl Bikes site at Longdale.

The Committee noted the verbal update and potential issues with visibility splay at Longdale Playing Field entrance due to the positioning of the new Beryl Bikes site. The Committee **AGREED** to write to the Norfolk County Council Highways Engineer to request relocation of the new Beryl Bikes site at Longdale.

14. To consider the advice from tree consultancy contractor regarding suitable locations for 8 new trees.

The Committee received the report from the tree consultancy contractor and noted the recommendation to plant during the dormant season between October and early March. The Committee **AGREED** to defer the item to a future meeting.

15. To consider request from Thorpe Marriott Village Hall.

The Committee **AGREED** that Pursuant to S1(2) of the Public Bodies (Admission to Meetings) Act 1960 because of the confidential nature of the business to be transacted, the public and press leave the meeting during consideration of item 15.

The Committee considered the request from Thorpe Marriott Village Hall and **AGREED** to enter into an initial discussion. It was agreed that Cllrs. J. Anderson, A. Crotch and N. Quinsey would arrange a meeting with Thorpe Marriott Village Hall.

16. To note exchange of information

None.

17. To note that an extraordinary meeting of the Committee is scheduled to take place on Thursday 18th December 2025 at 7.00pm at King George V Pavilion.

The next meeting is scheduled to take place on Thursday 26th February 2026 at 7.00pm at King George V Pavilion.

Noted.

Paper	PFP2: Declarations of Interest.
Meeting	Playing Fields and Property Committee
Date	4 th December 2025
Author	Deputy Clerk & Facilities Manager
Summary	
<p><u>Declarations of Interests</u></p> <p>All members of parish councils are required by law to register their disclosable pecuniary interests and other registerable interests to avoid conflicts of interests when making decisions.</p> <p>At the start of the meeting, council members are given the opportunity to declare any interest in the items on the agenda. However, if you are not aware of a potential interest until you reach an item then you must declare it as soon as it becomes known to you to ensure the council's decision-making process is fair and transparent.</p> <p>Per the Council's adopted Code of Conduct, if an agenda item relates to one of your registered interests, you must not take part in the discussion or vote and must leave the room.</p> <p>You are personally responsible for deciding whether you should declare an interest at a meeting and the attached flowchart is provided to assist you in assessing whether you must declare an interest.</p> <p>If in doubt, you should always seek advice from the monitoring officer at monitoringofficer@southnorfolkandbroadland.gov.uk. While advice can be given at meetings by the Clerk, seeking advice prior to a meeting is preferable to be sure thorough and informed advice can be given.</p> <p>For more detailed information, please see section 9 of Drayton Parish Council's adopted Code of Conduct available on our website.</p> <p><u>Dispensation Requests</u></p> <p>In certain circumstances you may wish to apply for a dispensation to allow you to take part in Council business where this would otherwise be prohibited because of your disclosed interests.</p> <p>Per section 13 of the Council's adopted Standing Orders, dispensation requests shall be made in writing and submitted to the Parish Clerk as soon as possible before the meeting, or failing that, at the start of the meeting for which the dispensation is required.</p> <p>A decision as to whether to grant a dispensation shall be made by a meeting of the Council for which the dispensation is required and that decision is final.</p> <p>For more information on what to include within a dispensation request and criteria for granting such a request please see section 13 of Drayton Parish Council's Standing Orders available on our website.</p>	
Recommendation	
The Committee is asked to note the paper for information.

7. To receive statement of receipts and payments to date and explanation of material variances comparing planned and actual expenditure.

The Committee received the report.

8. To consider proposals for projects for the 2026-27 financial year.

The Committee considered budget proposal for new projects for the 2026-27 financial year and **AGREED** to explore costs for:

- The purchase of additional CCTV cameras Longdale Playing Field
- Options for the space at the back of the King George V (KGV) pavilion (tennis, basketball, pickle ball etc)
- Earmarked reserves for play area enhancements
- Football kick pad wall at KGV Playing Field
- KGV and Longdale car park refurbishment
- Additional wheeled goals to replace existing fixed goals at Longdale and KGV.
- Annual expansion vessel service to be added to KGV maintenance costs
- Replacement bollards for Longdale car park
- Septic tank emptying
- Storage solutions for sports clubs (shipping container, shed)
- Upgrade to floodlights at KGV

The Committee requested quotes for the above to be considered at the next meeting.

9. To receive the VAT on Sporting Fees Report and consider a response.

The Committee considered the VAT on Sporting Fees Report and **AGREED** to recommend to Council to cease charging VAT, subject to confirmation as recommended option from Parkinson Partnership.

10. To note the internal playground inspections summary report.

The Committee noted the update regarding internal playground inspections, the replacement KGV Play Area gate and parts required for the Crazy Twister Roundabout at Florence Carter Memorial Park.

The Committee **AGREED** to authorise payment for the required play equipment and gate repairs.

11. To consider ROSPA Play Safety Inspection Reports and remedial tasks for play areas at Florence Carter Memorial Park, King George V Playing Field and Longdale Playing Field.

The Committee considered the RoSPA Play Safety Inspections, noting the identified issues, and **AGREED** to authorise payment for the following remedial tasks:

- KGV Play Area gate – resolve crushing/shearing point issue
- KGV Swing Basket – remove chain covers

The Committee **AGREED** that manufacturers and suppliers should be informed of dissatisfaction with the quality of equipment and installation and that a reduction in costs should be pursued.

12. To review the Illegal & Unauthorised Encampment Policy.

The Committee reviewed a draft copy of the Illegal & Unauthorised Encampment Policy and **AGREED** to recommend the document as presented for approval by Council.

The Committee reviewed a draft copy of the Illegal & Unauthorised Encampment Procedure **AGREED** that no revisions were required.

13. To consider Grass Football Pitch Hire Arrangements for 2025-2026.

The Committee considered the update regarding grass pitch hire arrangements for 2025-2026 as presented.

The Committee noted that the Hire Charge Schedule was scheduled for review and would be presented for consideration at a future meeting, in advance of publication for the 2026-27 season.

The Committee noted the tight turn-around for line marking at KGV Playing Field due to the scheduling of the cricket and football seasons in 2025 and recommended that 2026-27 season dates be considered as part of the Hire Charge Schedule review.

The Committee noted current arrangements for goals storage and decided to take no further action at this stage.

The Committee **AGREED** not to reduce the Drayton Youth Football Club (DYFC) hire charge for Longdale for the 2025-26 season.

The Committee noted the terms of hire as presented and recommended that 2026-27 hire terms were considered as part of the Hire Charge Schedule review.

14. To consider 3G Pitch Booking Review.

The Committee considered the 3G Pitch Booking Review and **AGREED**:

- To permit block booking hirers to pay by instalment
- To develop 3G Pitch Payment Terms for presentation at the next meeting
- To revise the 3G Pitch Terms of Use to stipulate that 3G pitch bookings operate on a first-come first-served basis.

15. To consider request to offer Drayton Youth Football Club priority booking of the 3G pitch.

The Committee considered the request and noted the value in offering a period of priority booking in support for a local organisation. The Committee **AGREED** to offer DYFC a priority 3G pitch booking window from 2026 onwards as outlined:

1st June – 30th June: DYFC Priority Booking Window

- 3G Pitch Terms of Use updated to stipulate that DYFC granted priority over new season block bookings for September 1st onwards.
- Non-DYFC associated hirers to be prohibited from making block bookings for September 1st onwards, but can continue to make block bookings for June, July and August as required.
- Clubspark website settings adjusted to ensure that hirers cannot make one-off 3G pitch bookings from September 1st onwards.

1st July – 31st May: General Bookings Window

- Block bookings from September 1st onwards open to all hirers.
- Clubspark website settings adjusted to ensure that hirers can commence making one-off 3G pitch bookings from September 1st onwards

The Committee **AGREED** that deposit scheme and cancellation policy options should be presented as part of the Hire Charge Schedule review for consideration at a future meeting.

16. To consider King George V Playing Field drop bollard issues.

The Committee noted that it was possible for vehicles to fit between the up-right drop bollard and neighbouring post at KGV Playing Field and **AGREED** that the distance between bollards should be revised to prevent vehicle access.

17. To note update regarding barrier security at Longdale Playing Field and receive locking/unlocking timings.

The Committee noted the update regarding barrier security at Longdale Playing Field and received the locking/unlocking timings.

The Committee **AGREED** that the Deputy Clerk and Facilities Manager should write to Norse Security, stipulating that Council would like the issue resolved promptly.

18. To consider the risk assessment for the Longdale Playing Field boundary hedge.

The Committee reviewed the risk assessment for the Longdale Playing Field boundary hedge and noted the information provided regarding control measures. The Committee **AGREED** to address the gap underneath the large oak tree by installing stock proof wire fencing and planting bare root hedging plants as presented.

The Chairman proposed to extend the meeting by 15 minutes. All in favour.

19. To consider quotes for new signage.

The Committee reviewed the quotes for new signage and **AGREED** to accept the quote based on no new poles (where existing poles are already in place) and appoint contractor 1.

20. To note exchange of information.

It was noted that a tyre had recently been placed in, and subsequently removed from, the climbing frame at Florence Carter Memorial Park and that it had not been possible to identify those responsible.

21. To note the date and time of the next meeting is scheduled to take place on Thursday 4th December 2025 at 7pm at KGV Pavilion.

Paper	PFP9: Request for consent to underlet the Bowls Club.
Meeting	Playing Fields & Property Committee
Date	4 th December 2025
Author	Deputy Clerk & Facilities Manager
Summary	
<p><u>Purpose of the Report</u></p> <p>To assist the Committee in determining a suitable course of action in response to the request from the Bowls Club for consent to underlet the building to a local community group.</p> <p><u>Background</u></p> <p>Underletting is when a tenant leases all or part of their rented property to a third party (the underlessee or subtenant) for a term shorter than their own original lease. The original tenant remains responsible for the obligations of their original lease to the landlord, while also acting as a landlord to the new subtenant under the terms of the underlease.</p> <p>Section 8a of the Bowls Club lease stipulates the following in regards to underletting:</p> <p>“Not to assign underlet charge or part with or share possession or occupation of the Demised Property as a whole or any part thereof save that with the Landlord's consent (such consent not to be unreasonably withheld) the Tenant may assign the whole of the Demised Property to a non-profit making body or person.”</p> <p>The Bowls Club have requested consent to underlet the building to a local community art group on Thursdays from 8.15am - 5.00pm during term-time.</p> <p><u>For Information</u></p> <p>Should the Committee agree to consent to underlet the property, a draft “Consent to Underlet” letter is attached for consideration. This document undertakes to confirm the following:</p> <ul style="list-style-type: none"> • Drayton Parish Council (The Landlord) agrees to ongoing consent to underletting • Sub-Rent conditions • Compliance with lease terms • Scope of consent • No variation of the lease is required (the landlords rights under the existing lease are preserved)

For the attention of the Bowls Club Treasurer,

Re: Ongoing Consent to Underletting Drayton Bowls Club

Further to your written request received on 19th November 2025, Drayton Parish Council ("the Landlord") hereby gives its standing consent to Drayton Bowls Club ("the Tenant") to grant underleases of the whole or any part of the above premises, without the need to seek further consent from the Landlord for each underletting, subject to the terms set out below:

This standing consent is given on the following terms:

1. Tenant to Set Sub-Rent

The Tenant may determine the sub-rent and any other financial terms of the underlease at its sole discretion.

2. Tenant to Retain Sub-Rent

The Tenant shall be entitled to retain all sub-rent and any associated income received from the sub-tenant. No portion of the sub-rent is payable to the

Landlord, other than the rent and other sums already due under the existing lease.

3. Compliance with Lease Terms

This consent is given without prejudice to the Tenant's ongoing obligations under the lease dated 21st November 1997, including any requirements relating to the permitted use of the premises, the condition of the property, and any other relevant tenant covenants.

The Tenant remains responsible to the Landlord for all obligations under the lease notwithstanding the grant of any underlease.

4. Scope of Consent

This letter constitutes ongoing consent for the Tenant to underlet in accordance with the above terms and the relevant provisions of the lease. Separate or repeat consent from the Landlord is **not required** for future underleases provided they comply with the terms of this consent and the lease.

5. Non-Waiver

This standing consent does not operate as a variation of the lease or as consent to any assignment, alteration, or other dealing with the premises. All other terms of the lease remain in full force and effect.

Please acknowledge receipt of this consent and confirm the intended date of the proposed underletting.

Yours faithfully,

Rachel Catto

Paper	PPF11: Hire Charge Schedule Review
Meeting	Playing Fields & Property Committee
Date	4 th December 2025
Author	Deputy Clerk & Facilities Manager
Summary	
<p><u>Purpose of the Report</u></p> <p>To provide the Committee with information in regards to grass pitch Hire Terms and 2026-27 cricket and football season dates, in support of the required Hire Charge Schedule Review.</p> <p><u>Background</u></p> <p>At the meeting on Thursday 28th August 2025 the Committee noted the tight turn-around for line marking at KGV Playing Field due to the scheduling of the cricket and football seasons in 2025 and received the annual review of grass pitch hire arrangements for 2025-26. The Committee agreed to consider the season dates and terms of hire alongside the review of the Hire Charge Schedule.</p> <p><u>Update</u></p> <ol style="list-style-type: none"> 1. Hire Terms as presented at the meeting on Thursday 28th August 2025 have been provided for consideration. 2. A draft version of the 2026-27 Hire Charge Schedule has been presented for review. 3. Dates have been updated in line with the 2026-27 calendar and charges have been increased by 5% (to the nearest 50 pence). 4. For clarity, it has been stipulated that season and single game hire fees for main pitches at King George V Playing Field, and season and single game hire for teams other than Drayton Youth Football Club (DYFC) at Longdale are “per pitch”. 	
Recommendation	
<p>The Committee is asked to consider the options presented and confirm the following:</p> <ol style="list-style-type: none"> 1. Grass Pitch Hire Terms <ul style="list-style-type: none"> • Whether there are any proposed amendments to the terms as presented. • Whether DYFC should be granted priority booking and exclusive season hire at King George V Playing Field in line with arrangements at Longdale. • Whether DYFC should be permitted to sublet grass pitches. 2. Hire Charge Schedule <ul style="list-style-type: none"> • 2026-27 cricket and football season dates (taking into consideration whether scheduling allows an adequate time-frame for line marking at KGV Playing Field.) • Whether there are any proposed amendments to the hire fees as presented. 	

Grass Pitches: Terms of Hire

Drayton Parish Council has two playing fields with football pitches available for hire: Longdale Playing Field and King George V Playing Field.

As part of the Hire Charge Schedule review, the Committee is asked to confirm the terms associated with the current hire charges.

1. DYFC Season Hire (Longdale)

All pitches at Longdale are hired for the season for exclusive use by DYFC teams. DYFC determines the required pitch sizes, has access to all pitches throughout the season and co-ordinates its own schedule for matches and training.

Exclusive hire for the season is a flat rate fee and includes access to the pitches for both matches and training, toilet and changing facilities and storage.

Additional line marking for pitches within pitches, is not currently included and is therefore charged at an additional rate provided by the contractor.

Exclusive season hire generates secure income and significantly simplifies pitch management and administration. The Council does not deal with individual team bookings but rather an exclusive use hire agreement with the Club.

Considerations:

- There is currently no exclusive season hire for DYFC at King George V Playing Field.
- DYFC is not currently permitted to sublet, should the Council receive grass pitch booking enquiries.

2. Other Season Hire

Please note DYFC currently has priority booking and Other Season Hire is *not* available at Longdale if a season hire agreement is in place with DYFC.

However, if there is no exclusive season hire agreement in place with DYFC, individual football pitches are available for hire by teams for an entire season based on shared or scheduled access to the pitch.

The hirer would have access to the pitch for scheduled matches throughout the season and would need to co-ordinate with other teams for shared use of the pitch (typically 2 teams per pitch) to ensure fairness and maximise community access.

Hire charges for the season currently depend on the age of the team (not pitch size), and include access to the pitch for matches only, toilet and changing facilities and DPC goal use.

Seasonal hire generates predictable income and supports grassroots football but would require significant scheduling and communication with a range of teams to facilitate reliable bookings and access to pitches.

Considerations:

- While other seasonal hire is advertised on the Hire Charge Schedule, there is currently no availability for additional bookings if booked by DYFC.
- DYFC is not currently permitted to sublet, should the Council receive grass pitch

Grass Pitches: Terms of Hire

seasonal hire booking enquiries.

3. Single Game Hire

Please note DYFC has priority booking and other Single Game Hire is not available at Longdale if a season hire agreement is in place with DYFC.

If there is no exclusive season hire agreement in place with DYFC, football pitches are available for hire for ad-hoc matches, friendlies, tournaments or community events. The hirer would have access to the pitch for the duration of the match only.

Hire charges for single games currently depend on the age of the team (not pitch size), and includes access to the pitch, toilet and changing facilities and DPC goal use.

Single game hire generates unpredictable income with no commitment and is generally considered straightforward to administer, though potentially time-consuming if the number of individual bookings requested is significant.

Considerations:

- While single hire is advertised on the Hire Charge Schedule, there is currently no availability for additional bookings if booked by DYFC.
- DYFC is not currently permitted to sublet, should the Council receive grass pitch single hire booking enquiries.

Paper	PPF12: 3G Pitch Deposit & Cancellation Options & Payment Terms
Meeting	Playing Fields & Property Committee
Date	4 th December 2025
Author	Deputy Clerk & Facilities Manager
Summary	
<p><u>Purpose of the Report</u></p> <p>To provide the Committee with information in regards to 3G pitch deposit scheme and cancellation options for consideration alongside the revised 3G Pitch Terms of Use.</p> <p><u>Background</u></p> <p>At the meeting on Thursday 28th August 2025 the Committee carried out an annual review of the management of the 3G pitch and agreed that options for a deposit scheme and cancellation policy should be considered for inclusion within the current 3G Pitch Terms of Use. Furthermore, the Committee agreed that the 3G Pitch Terms of Use should be updated to stipulate that from 2026 onwards Drayton Youth Football Club (DYFC) would be granted priority over new season block bookings (for September 1st onwards).</p> <p><u>Update</u></p> <p>The 3G Pitch Terms of Use document has been separated into two distinctive documents; one for online bookings and one for block bookings. The block booking version includes new sections on deposits and cancellations and the online booking version includes a revised cancellation and refunds section. Both documents contain a new booking access section, outlining the Drayton Youth Football Club priority booking window and the general bookings window.</p> <p>In addition, the opportunity was taken to complete a wider review of the 3G Pitch Terms of Use document to ensure it remained accurate and up to date, with further revisions recommended as follows to aid overall clarity:</p> <ul style="list-style-type: none"> • Document name revised to “3G Pitch Block Booking Terms, Conditions & Rules”. • New Booking Confirmation section – aims to clarify the block booking process (block booking version only) • Removal of duplicated wording within Security Section - “All users are requested to report any damage to the Drayton Parish Council Clerk as soon as possible” • Revision to Right to Play Section – Removal of reference to making booking ‘online’ (block booking version only) • Revised email address to office@draytonparishcouncil.gov.uk <p>Both documents are attached for consideration and areas highlighted in yellow require confirmation by the Committee.</p> <p>NB: Wording of the Booking Deposit and Payment of Fees and Cancellation and Refunds sections will be finalised once terms have been agreed by the Committee.</p>

Booking Access

- Drayton Youth Football Club (DYFC) associated hirers have priority over new season block bookings for September 1st onwards and have access to a priority booking window on a first-come, first-served basis from 1st June to 30th June each year. During this period non-DYFC associated hirers are prohibited from making block bookings for September 1st onwards, but can continue to make block bookings for June, July and August as required.
- The 3G Pitch block booking window is available to the public on a first-come, first-served basis from 1st July to 31st May each year. During this period block bookings from September 1st onwards are open to all hirers.

Booking Confirmation

- Block bookings of 5 or more sessions can be requested via the Parish Council Office at office@draytonparishcouncil.gov.uk
- Hirers are required to provide the following information before a block booking can be confirmed:
 1. Team/Group/Hirer name
 2. Preferred day and time
 3. Start and end date for the booking
 4. Any excluded weeks (eg. Christmas and New Year etc)
 5. Preferred payment option
 6. Contact telephone number
- Upon receipt of the required booking information (subject to the availability of facilities) the Parish Council Office will email the Hirer to confirm the booking.

Booking Deposit and Payment of Fees

- Hirers are required to pay a deposit to cover non-payment, damage or late cancellation.
- The deposit is # months sessions fees / #% of total booking value and must be paid within one month of booking confirmation.

- The deposit will be held for the duration of the booking and refunded at the end of the block booking period, subject to:

1. All fees being paid in full;
2. No damage, misconduct or rule breaches being recorded; and
3. Proper notice being given for cancelled sessions and/or termination of the block booking (see section on Cancellation and Refunds).

Hirers must select one of the following payment options at the point of making a block booking:

1. Lump Sum: Hire charge payment to be made in one lump sum by standing order, direct debit, or bank transfer within the first month of the block booking.
2. Monthly Payment Plan: Hire charge payment to be made in monthly instalments by standing order, direct debit, or bank transfer.

The Council will issue an invoice stipulating the hire charge for the block booking, the deposit amount and any monthly payment plan arrangements as appropriate.

NB: Non-payment of the deposit, lump sum or monthly payment by the due date may result in the cancellation of the booking and forfeiture of the deposit.

Deposit Scheme and Cancellation Policy Options

Definitions

- **Block booking** means a recurring reservation of the pitch for a minimum of five consecutive weeks.
- **Hirer** means the club, team, organisation, or individual entering into the booking agreement.
- **Session fee** means the hourly charge for one booked session.
- **Hire Charge** means the total booking fee (hourly charge for one booked session, multiplied by the number of weeks booked).
- **Deposit** means the refundable amount held by the Council to cover non-payment, damage, or late cancellation.

Deposit Types

The table below outlines the advantages and disadvantages of different deposit types.

Deposit Type	Deposit Use	Advantages	Disadvantages
Initial Deposit	If a payment is missed, the deposit covers the shortfall.	Ensures the Council is protected against non-payment or cancellations, up to the initial deposit amount.	No protection for the Council against non-payment or cancellations beyond the initial deposit amount.
Rolling Deposit (Retainer)	If a payment is missed, the deposit covers the shortfall. The hirer must then top the deposit back up.	Ensures the Council is always protected against non-payment or cancellations.	Additional administrative work involved in monitoring any required deposit top-ups
Full First Month in Advance + No Separate Deposit	Covers the first month and acts as confirmation of the booking.	Simple to administer; suitable if the risk of non-payment is low (e.g., long-standing, reliable clubs).	No protection for the Council against non-payment or cancellations after the first month.

Payment Structure Options

Example deposit payment structure options are presented below for consideration.

Option A: Deposit is equivalent to one month's session fees paid in advance of first booked session.

Example: (based on 20 Week Block Booking)

Hire Charge = £460.00 (Session Fee £23.00 per hour x 20 weeks)

Deposit = £92.00 (Session Fee £23.00 per hour x 4 weeks)

- **Advantages:** Ensures the Council is protected against non-payment or cancellations. Standardised deposit amount ensures ease of administration.
- **Disadvantages:** Youth teams seeking to make block bookings for shorter periods may face difficulties in paying one month's session fees in advance.

Deposit Scheme and Cancellation Policy Options

Option B: Deposit is equivalent to 10% of the total block booking value.

Example: (based on 20 Week Block Booking)

Hire Charge = £460.00 (Session Fee £23.00 per hour x 20 weeks)

Deposit = £46.00 (10% of £460.00)

- **Advantages:** More affordable up-front costs for youth teams seeking to make block bookings.
- **Disadvantages:** Relatively low deposit amount may not guarantee the Council is protected against all non-payment or cancellations.

Deposit Terms

Draft deposit terms are presented below for consideration:

- **Deposit Use:** Non-payment, damage, or late cancellation.
- **Deposit Return:** Refundable at the end of the block booking period, subject to no arrears, damage or cancellations.
- **Outstanding Balances:** Must be settled before the deposit is refunded.

Cancellation & Refund Policy Options

- **Hirer Cancellation Notice Requirements:**
 - More than 7 days' notice → No charge for cancelled session.
 - 4-7 days' notice → 50% of session fee payable.
 - Less than 3 days' notice → Full session fee payable.
- **Council-Cancelled Sessions (e.g., maintenance, weather):** Full refund or credit applied to next month's invoice.
- **Persistent Cancellations (3+ within 3 months):** Council reserves the right to reallocate the slot.
- **Persistent late Payments (3+ within 3 months):** Council reserves the right to reallocate the slot.

For Ending a Block Booking:

- **Notice Period:** One week's written notice required to terminate a recurring booking.
- **Outstanding Balances:** Must be settled before the deposit is refunded.

Summary	
<p><u>Purpose of the Report</u></p> <p>To up-date the Committee in regards to advice received on the planting of eight new trees.</p> <p><u>Background</u></p> <p>At the May 2025 meeting the Committee agreed to seek advice from the appointed tree consultancy contractor regarding planting eight new trees across all sites.</p> <p><u>Update</u></p> <p>On 5th November 2025 the Deputy Clerk & Facilities Manager undertook site visits with Tree Care, the Parish Council's appointed tree consultancy contractor, in order to discuss suitable locations and species for new trees. It was requested that multiple locations be identified to assist the Council in determining suitable locations for the planting of eight new trees in 2025-26 and any additional trees in the foreseeable future. The detailed report is attached for information and a summary and recommendation for each site is provided below for your convenience.</p> <p>Green Lanes</p> <p>During the site visit it was noted that the woodland area at Green Lanes was not considered an ideal location for planting and maintaining young trees (due to the steep banks and lack of an accessible water source), but that there was evidence of natural regeneration of woodland species.</p> <p>King George V Playing Field</p> <p>The report noted suitable sites for the planting of 11 new trees. Photos of suitable sites and species have been outlined on pages 13-16 of the report.</p> <p>Longdale Playing Field</p> <p>The report noted suitable sites for the planting of 16 new trees. Photos of suitable sites and species have been outlined on pages 17-21 of the report.</p> <p>Florence Carter Memorial Park</p> <p>During the site visit it was noted that there was little available space for additional planting at Florence Carter Memorial Park. The report noted a suitable site for the planting of 1 new tree. Suitable site and species have been outlined on pages 22-23 of the report.</p> <p><u>General Information</u></p> <p>The report outlines the following additional recommendations:</p> <ul style="list-style-type: none"> • That trees are planted in the dormant season between October and early March.

Planting outside this period would require careful and more committed watering management.

- That containerised standard trees are planted to improve the success of early establishment.
- That mitigation measures as presented are adhered to during periods of drought.
- That mitigation measures as presented are adhered to, to avoid the negative impact of mechanical damage from strimmer's.

Recommendation

The Committee is asked to consider the advice received in the attached report before confirming preferred locations and species for eight new trees.

1. INTRODUCTION

1.1 ASSIGNMENT

I have been instructed by Rachel Catto of Drayton Parish Council to prepare a planting plan for the following three sites:

King George V Playing Field Drayton High Road Drayton NR8 6AW	Longdale Park Long Dale Drayton NR8 6AU	Florence Carter Memorial Park School Road Drayton NR8 6PP
--	--	--

1.2 TREE PLANTING OBJECTIVES AND DESIRED OUTCOMES

The main objectives of this planting plan following discussion with Rachel Cato are as follows:

- To provide replacement tree planting for trees that have been removed for hazard risk reasons in the past five years.
- To introduce a future generation of trees that will maintain a sustainable healthy tree cover with species suitable for the locations and surrounding environments.
- To improve on both age and height structure of the present tree stock.
- To expand the species variety in order to improve the amenity value of the present tree population within the sites.
- To minimise mass losses of same species trees as a result of future and present tree disease threats, such as Chalara Ash die-back, Acute Oak Decline and Phytophthora diseases.
- To increase wildlife habitat for small birds through the introduction of trees with a good food source of seed, fruit and insects and nesting site potential.
- To improve screening to and from adjacent neighbouring properties through tree form and structure.
- To improve variety of leaf and bark characteristics in the form of bark colour and texture, autumn leaf colour, leaf shape and general all year interest.

2. THE SITES

2.1 SITE VISIT

I carried out a site visits accompanied by Rachel Catto on 5 November 2025 to assess the site conditions for planting and to discuss the tree planting objectives, in order to prepare this plan.

2.2 IDENTIFICATION AND LOCATION OF THE TREES

I have prepared individual planting plans for all three sites See appendix 2. I have illustrated the approximate locations of the both the existing trees and the proposed tree planting locations on the attached individual planting site plans. These plans are for illustration purposes only and it should not be used for direct scaling measurement.

2.3 SOILS

The UK Soil Observatory (UKSO) website identifies the soil type within Longdale Park and King George V Playing Field to be sand to sandy loam.

The soil type at Florence Carter Memorial Park was identified as being chalky, sandy loam.

2.4 METHODOLOGY

In order to achieve successful establishment of new tree planting it is important to administer and adopt the 4Ps principle as follows:

PLANNING – Choosing the correct species for the site environment, right tree right place etc.

PREPARATION – Provision of detailed planting specification.

PROTECTION – Identification of threats such as drought, vandalism, disease and mowing damage etc.

PROVISION – Implementation of watering, mulching etc.

It is recommended that the trees are sourced from a nursery that has produced and dispatched the trees in accordance with BS8545 Trees: from nursery to independence in the landscape – Recommendations, Chapters 8 and 9.

The method statement for planting and post maintenance of a containerised standard tree is attached as Appendix 1.

3. SITE EVALUATION, THREATS AND CONSTRAINTS

It is always a challenge trying to establish new tree planting within sites where the soils are of a dry sandy nature and watering maintenance is restricted. Establishment is however, more achievable if initial care is taken in identifying what the planting conditions and mitigating any issues that could be detrimental to the establishment of new planting.

3.1 DROUGHT

The soils in King George V Playing Field and Longdale Park are sandy and very free draining and therefore there is a risk of drought conditions in spring and summer months. In order for successful establishment of newly planted trees, they will require regular water uptake from the soils in the spring and summer months. Persistent drought conditions at these times will lead to stress and eventually strain resulting in tree death.

- Mitigation
 - Select tree species that are drought tolerant or moderately drought tolerant.
 - Select tree species that will generally establish in the identified soil type of the site.
 - Carry out regular watering of newly planted trees in periods of significant drought as detailed in the planting specification.
 - Maintain a weed free tree station around each tree filled with a suitable mulch.
 - Add a Carbon Gold enriched biochar soil improver to the planting pit and soil infill to help improve water holding capacity.

3.2 GRASS CUTTING MACHINERY (Strimmers)

A major threat to the newly planted trees is from mechanical damage to the lower stems by grass cutting machinery and more precisely strimmers.

- Mitigation
 - Maintain a weed free tree station around each tree filled with a suitable mulch to avoid the need for cutting grass right up to the stems.
 - Inform ground maintenance staff not to trim or use mechanical methods of grass mowing within the circular tree station. The tree stations should be weeded by hand.
 - Install strimmer guards around the stem base of each tree.

3.3 VANDALISM

- Mitigation
 - Where vandalism to young trees is anticipated, a timber tree frame should be installed at the planting stage to minimise the associated risk. The timber frames should be a minimum of 180cm high from ground level and consist of four 8cm square posts with two 10cm x 2cm upper cross members. The frames should be secured into the ground to 30cm to 40cm to avoid being pushed over.

APPENDIX 1

PLANTING AND POST MAINTENANCE OF A CONTAINERISED STANDARD TREE

1. INTRODUCTION

This method statement describes the procedure required for the planting and post maintenance of a containerised standard tree for successful establishment.

The tree locations and species selection are identified on the attached planting plans for the individual sites attached as appendix 2 of this report.

2. TIMING

Although containerised trees can be planted throughout the year, we would recommend that these trees are planted in the dormant season between October and early March. Planting outside this period would require careful and more committed watering management.

3. TREE & NURSERY SELECTION

It is recommended that containerised standard trees are planted to improve the success of early establishment. The recommended tree and container sizes are detailed in section 4 of this report.

It is recommended that the trees are sourced from a nursery that has produced and dispatched the trees in accordance with BS8545 Trees: from nursery to independence in the landscape – Recommendations, Chapters 8 and 9.

4. METHODOLOGY

This method statement describes the procedure required for the planting and post maintenance of a containerised standard tree for successful establishment.

- 4.1 All ground level changes and landscaping within the planting zones will be established prior to any tree planting.
- 4.2 Any weed growth will be removed within the planting areas not surfaced by lawn, including removal of weed roots.
- 4.3 If the area has been turfed a square of turf will be removed. This area will be 40cms larger than the diameter of the containerised root ball. The removed turf can be retained initially for re-turfing the final shape of the tree station.
- 4.4 Place the tree, still in its container onto the ground, centralised to its proposed position.
- 4.5 Mark out the size of the planting pit with a spade by scraping the edge along the ground surface. The planting pit will be a minimum of 20cm larger than the diameter of the containerised root ball.
- 4.6 Remove the tree to an area where it will not become a trip hazard and where damage to the tree can be avoided.
- 4.7 Excavate the planting pit using a garden fork to loosen the soil and a spade or shovel to remove it. The top soil will be removed initially and placed directly adjacent to the planting pit. The sub soil will then be removed and placed in a separate pile adjacent to the planting pit.

- 4.8 The depth of the planting pit will be the same as the height of the root ball of the tree from the base of the container to the inner compost level. This can be measured by holding the spade or cane against the container and transferring the measurement to the planting pit.
- 4.9 If the sides of the planting pit have been glazed during excavation, lightly loosen the soil with a garden fork.
- 4.10 Prune any damaged branches and formative prune the crown as per BS 3998:2010 'Tree work - Recommendations'. No heavy pruning or crown reduction will take place at this time.
- 4.11 Transfer the tree, still in its container, into the planting pit; centrally position it and check the pit dimensions against the container.
- 4.12 If the excavated soil from the tree pit is in such a poor condition that it would not be worthy of re-use as a backfill, it shall be replaced with a good quality top soil.
- 4.13 If the excavated soil lacks organic material and the structure is poor, it can be ameliorated at this stage using well composted organic matter or a commercially developed material developed for the purpose. Any organic matter addition shall not exceed 5% of the total volume of the tree pit. Excessive organic matter may lead to serious soil settlement meaning that the root ball and root collar will finally settle below the soil level.
- 4.14 Sprinkle Carbon Gold enriches biochar soil improver into the planting pit and the backfill soil and mix in using a fork or spade. The quantity of biochar used will be to the manufacturer's instructions, but as a guide, 2kg to a 45lt container size.
- 4.15 If the tree is supplied in a containerised bag, then bag shall be carefully removed with the tree still in the planting pit. This will be achieved by cutting the bag vertically in quarters and peeling the individual sections back to slide out from the base of the root ball. If the tree is supplied in a pot, it should be carefully lifted out of the pot and transferred to the planting pit. Care shall be taken to avoid disturbing the root ball.
- 4.16 If there is significant root balling, carefully prune the affected roots with sharp secateurs and lightly ease the roots out of the root ball.
- 4.17 Any weed growth will be removed from the surface of the root ball and disposed of.
- 4.18 The backfill soil mix will be placed into the planting pit, filling the void between the root ball and the sides of the planting pit. All backfill applied should, as far as is practicable, replicate the horizons within the original soil profile. The backfill shall be worked around the root ball in layers of 10cm to 15cm with each layer being carefully firmed using the sole of the foot without damaging the root ball.
- 4.19 During the process of backfill, the tree will continually be checked to make sure that it is straight.
- 4.20 If the tree is planted in a lawn a circular tree station shall be left. This is an area of no less than 1m diameter around the base of the tree which is free of turf.
- 4.21 Any leftover soil and debris arising from the planting will be removed and disposed of accordingly.

- 4.22 The tree will be mulched with a well composted organic mulch such as woodchip to a depth of 8cms when settled. The mulch will be placed around the base of the tree to a diameter of no less than 1m to form a bund for water retention. No build-up of mulch will be situated around the base of the stem as any heat produced by the mulch may kill the cambium and also prevent respiration.
- 4.23 The tree will be supported using a 5cm diameter round softwood stake on the windward side of the tree and driven into the ground diagonally to avoid piercing the root ball. The angle will be determined by the width of the root ball and the eventual height of the stem attachment. The height of the stake in relation to the stem will be no more than one third of the height of the clear stem.
- 4.24 The tree will be fixed to the stake using a proprietary tree tie which will be fixed 25mm below the top of the stake with 20mm galvanized clout nails. A proprietary spacer will be positioned between the stake and the tree to prevent abrasion. The tie shall be tight enough to securely support the tree but without restricting stem growth. If the top of the stake requires cutting, this will be done using a sharp hand saw being careful not cut into the tree stem.
- 4.25 The tree will be watered immediately by slowly filling the mulch bund with ten litres of water allowing for the water to soak into the root ball and planting pit.

5. POST MAINTENANCE

- 5.1 During the first three growing seasons after planting, the tree will be watered regularly especially during dry periods from March to October. The amount of water required will be dependent on the soil type but water logging will be avoided. Any water should be applied slowly avoiding run off away from the root ball. An ideal way to achieve this is with a seep hose placed in a spiral pattern around the base of the tree. The frequency of irrigation is more important than the volume of water given at any one time. Increased water volumes cannot compensate for a lack of frequency.
- 5.2 All grass and weed competition around the base of the tree, to a minimum of 1m diameter, shall be eliminated in the first three growing seasons. This can be carried out using hand tools or using an approved herbicide which will not be translocated to the tree.
- 5.3 The mulch shall be replenished on a regular basis to maintain a depth of 8cm during the first three growing seasons.
- 5.4 All support ties will be regularly checked in early spring, autumn and after any high winds to ensure they are not too tight, too slack or broken and adjusted accordingly.
- 5.5 The stake and tie will be required for at least the first two years after planting until the root ball has established a firm hold in the ground. After two years, if there is still some movement in the root ball, then the stake and tie shall be maintained until the root ball has a firm holding.
- 5.6 A formal assessment of young tree health and development should be carried out annually for the first three growing seasons. This assessment should include foliage appearance, leaf size and leaf canopy density, extension growth and incremental stem girth development. This information will inform any further maintenance requirements.
